How to register in minutes  
before you feel sick

Using LiveHealth Online, you can have a private and secure video visit with a board-certified doctor 24/7 on your smartphone, tablet or computer with a webcam. It's a quick and easy way to get the care you need with no appointments or long wait times.

When your own doctor isn't available, use LiveHealth Online if you have pinkeye, a cold, the flu, a fever, allergies, a sinus infection or other common health condition. A doctor can assess your condition, provide a treatment plan and even send a prescription to your pharmacy, if it's needed.\*
