2018 YEARLY DUES INCREASE

October 4, 2017

Dear Brothers and Sisters of Local Union 90,

The delegates of the 39th IBEW International Convention approved amendments to Article IX of the *IBEW Constitution*. Accordingly, effective January 1, 2018, there will be a per capita increase of two dollars (\$1.00) per month for all members, and the following rates will apply to the I.O. plus Local portion of all monthly dues payments covering January 2017 thereafter:

Checks paid per QUARTER for 2018 are now \$115.50
Checks paid per YEAR in 2018 are now \$462.00
Credit card payments can be taken over the phone

**If you have an old remittance card that reflects the 2017 amount,
change it and write your check for the correct amount.**

All incorrect payments will be returned.

Please change your automatic bank payments to reflect this change immediately. Any manual and electronic checks that are mailed in with the incorrect amount will be returned to you and will only delay the process of your dues payment. Please make every effort to pay the new amount in a timely fashion as of January 1, 2018.

Fraternally,

Sean Daly
Business Manager/Financial Secretary
