

IBEW Local 90 Mission Statement

The mission of IBEW Local 90 Reach out and Engage Next-gen Electrical Workers (RENEW) initiative is to educate, inspire and unite our organization and create an environment that promotes prosperity while embracing the ideologies of Brotherhood to inspire all local 90 members to be active in our union.

LOCAL 90 RENEW INITIATIVE

Greater involvement by local 90 union members of all ages is critical to the growth of our local and the IBEW. Our initiative is to bring all local 90 members together to promote the local and our livelihoods. Local 90 has established a committee to set up a program based on the locals needs and interest of our members and has set its own goals to energize our workers. Ensuring the Local is reflective of ALL members is essential for a strong unified Local.

The RENEW initiative is an opportunity to engage members of all ages to foster proud & active union members. We hope to bring back the BROTHERHOOD and PRIDE associated with being an IBEW member.

WE NEED YOUR HELP & SUPPORT

The committee needs your help to promote IBEW Local 90 in the workplace and communities within our jurisdiction. A few cannot do the work of many. We need each member to take a stand and support our local whether by attending a social function, community project or as simple as attending a political rally. We can no longer ignore what is happening around us. If you have a positive attitude and want to be part of RENEW contact:
